

GET INSIDER ACCESS TO WHAT'S NEW / NEXT IN LONDON

Welcome to W London Leicester Square. As we turn up the heat, be sure to keep your cool at some of my favourite highlights this month. It's time to celebrate summer in true style.

NIGHT TALES HACKNEY WICK NIGHTTALES.CO.UK

Retreat to a secret world of innovative food, bar culture and nightlife. Bask on the massive sun terrace, sample spiked coconuts and get ready for culinary newcomers like Rudie's, Slice Guys and Nanny Bill's. The all-new DJ lineup will feature spinners like Rudimental, Groove Armada, Norman J, Maribou State and more. This is truly paradise found.

Every Friday & Saturday

ICE-CREAM SANDWICHES WHAAM BANH MI, SOHO

Indulge in an ever-changing kaleidoscope of flavours, often with a southeast Asian vibe - think black sesame, matcha and milo. So cool, they sell like hot cakes from a pop up stand each weekend from 12pm.

THE BARBARY 16 NEAL'S YARD, COVENT GARDEN

Experience the second restaurant from the guys at The Palomar. All dining takes place along the weathered zinc bar that wraps around the open kitchen. Inspired by the heat and flavours of countries such as Morocco, Algeria and Tunisia, there are no reservations, but as they have a dedicated menu for those in the queue, you will soon realise that good things really do come to those who wait.

W HAPPENINGS W HEATWAVES : IT'S HOT INSIDE

Get ready for a series of W Happenings where we will be launching six signature cocktails from six of the hottest W destinations, including Punta de Mita, Miami and Bali. Each party will see the W Lounge transform into a different faraway location to present the cocktail of the night, with themed music, food and entertainment to excite and escape. Take a sip, wave after wave...

Every Friday 7pm W Lounge

LOVEBOX VICTORIA PARK LOVEBOXFESTIVAL.COM

One of the most dynamic festivals in London, catering for cool kids and party monsters, Lovebox packs as much fun into two days as many festivals manage in three. Revel in a storming, genre-blurring line-up of DJs, electronic acts and live bands, plus all sorts of fun on the side. The big news this year is the return of James Murphy's boundary-trampling dance crew LCD Soundsystem, so dive right in; you won't be disappointed.
