TOMBO POKE & MATCHA BAR

28 D'ARLAY ST.

Stop by and sample the Japanese inspired Hawaiian dish that consists of marinated sashimi grade fish and taste endless toppings from avocado and edamame to kimchee and ikura. Try their award winning matcha teas which are fuelled with super powers and take your detox to new heights. As high as Mt Fuji to be precise.

WEEKEND PUNK DESIGN MUSEUM

With this much-loved institution closing its Shad Thames doors in 2016, what better way to end than with two days of creative disruption celebrating one of London's most distinctive design movements, with fanzine-making workshops, music, spoken word and other events shaping a fitting last weekend for the museum. The perfect pairing with our very own Anarch' Tea afternoon tea here at W London.

25 - 26 June

PALM CLUB 14 BRADBURY ST. DALSTON

Shake your grass skirts because a new Tiki paradise has just popped up and they are serving Kona beer, tropical cocktails and beats till late. Remember the sun doesn't always shine here in London, so escape to the South Pacific, say "Aloha" and remember Vitamin D-rinking is good for you.

Open 6.30pm Thurs - Sat evenings
